Industry Expert Carolyn Gudz Joins Expanding Confab Team

(Saint-Hubert, QC, Canada; June 26, 2014) — [Confab](#), a leading contract development and manufacturing organization (CDMO) specializing in the pharmaceutical development of semi-solid and solid dosage forms, including tablet, capsule and suppository manufacturing, has named Carolyn Gudz, MBA, as senior director of business development and customer service.

The appointment further expands the growing business development team at Confab. In her role, Gudz will implement strategies and tactics to enrich the experience for the company's current clients, strengthen existing partnerships and grow its client base. She is skilled at fostering interdepartmental collaboration to achieve customer satisfaction and corporate profitability. Gudz will help to promote the global capabilities of Confab's [world-class, cGMP compliant facility](#), located in Québec.

Gudz has extensive pharmaceutical experience as well as knowledge of business-to-business development and customer care strategies. Before joining Confab, she served as director of business development at Jubilant HollisterStier in Montreal, QC, Canada. In addition to receiving an MBA from the Richard Ivey Business School at the University of Western Ontario, Gudz is an accredited client associate facilitator with Miller Heiman for Strategic Selling® and Conceptual Selling®.

"Carolyn is widely acclaimed as a leader by her colleagues and clients," said Nathalie Brisson, president and general manager at Confab. "Her industry knowledge and work ethic will add tremendous value to Confab's current client roster and create opportunities for growth."

About Confab

Founded in 1979, Confab Inc. is a leading FDA-approved, cGMP manufacturer to the pharmaceutical industry offering turnkey solutions for manufacturing and packaging clinical and commercial solid, liquid and semi-solid dosage forms, including tablet, suppository and capsule manufacturing. Confab is located in Saint-Hubert, Québec. More information about Confab can be found at www.Confab.com.
